

UAT INITIATION AND DESIGN

Date	19 November 2022
Team ID	PNT2022TMID28587
Project Name	Smart Waste Management System for Metropolitan Cities.

UAT INITIATION:

Sign Up and Log in:

Below interface allows the user to sign up before login to the system with his email and password.

The image displays two wireframe diagrams of a user authentication interface. The left diagram shows a 'SIGN UP' button, and the right diagram shows 'LOGIN' and 'SIGN UP' buttons.

Left Diagram (Sign Up):

- Email input field
- Password input field
- SIGN UP button

Right Diagram (Login and Sign Up):

- Email input field
- Password input field
- LOGIN button
- SIGN UP button

:

USER DESIGN: Use Case Diagram
